The STUDENT COUNCIL exemplifies the American ideal of representative government. Never before in our history has a full understanding of the workings of democracy been so necessary as it is today. This applies particularly to the younger generation from whom will come future leaders of our nation.

"B" Team Basketball

The B-team followed the same schedule as the varsity basketball, except for the trip to Michigan City. The team played very good at times but the schedule was made up of larger teams which made a good season record for a tough job. Their record was six wins in nineteen starts. Joe Pickard, Jim Combs, Dorwin Dick, Phil Chittick, and Bill Word made up the first team most of the season, but all the boys on the team played well.

The Hot Pups consisted mostly of sophomores. Plenty of height and a sufficient amount of speed made the team well balanced.

Coach Dick developed a strong team and the prospects for next yeor look as though we will have a real Fighting Five.
